today

# Dear friends and advocates,

Every year 72,000+ adolescents and young adults are diagnosed with cancer. **That's 1 every 8 minutes.**

Live for Today's mission is to create adventure, encourage new experiences, uplift through support, and inspire a healthy lifestyle for our members. We have spent the last five years inspiring local young adult cancer patients and survivors to *focus on living, not on cancer.*

This inaugural fundraising event is an opportunity to share with our supporters and leaders in the community an inspiring evening filled with hope, fun & laughter. Together we can further our mission, and continue to inspire each young adult cancer patient and survivor to live every day to its fullest.

Because of you, young adults with cancer will be inspired to live for today, and fight for tomorrow.

With hope,

*Kaitlyn & Katie*

Kaitlyn Ash & Katie Pearsall, *Founders of Live for Today*

**Our Mission** TO HELP YOUNG ADULTS WITH CANCER BY PROVIDING DYNAMIC OPPORTUNITIES, FOSTERING COMMUNITY SUPPORT, AND PROMOTING HEALTHY LIVING.
